

The World Leader
In Data Elimination

DATA DESTROYER

PD-4

Hard Drive Physical Destroyer

PD-4 Destroyer NSA/CSS EPL-Listed

The PD-4 physically destroys hard drives by bending, breaking, and mangling the hard drive and its internal components including the data platters. Using a rugged stainless-steel crushing wedge, the PD-4 bends the data platters preventing the hard drive from "spinning up" or for the hard disk platters from being removed and placed on a spin stand used in laboratory data recovery techniques. The PD-4 also cracks the hard-drive housing, breaks the PC board, and smashes the read-write heads. Best for use after degaussing, the PD-4 ensures total hard drive destruction.

Secure and Compliant

The PD-4 will help you satisfy the most stringent government and industry standards, including:

- NSA/CSS SDDM 9-12
- DoD Emergency Destruction Guidelines
- PCI DSS (Payment Card Industry Data Security Standard)
- NIST (National Institute of Standards and Technology) Guidelines for Media Sanitization
- NIST SP 800-36
- NIST SP 800-88
- HIPAA (Health Information Portability and Accountability Act)
- PIPEDA (Personal Information Protection and Electronic Documents Act)
- GLBA (Gramm-Leach-Bliley Act)
- California Senate Bill 1386

PD-4 Destroyer

- Listed on NSA/CSS Evaluated Products List
- Bends, breaks, and mangles hard drives, including data platters and other internal components, preventing data recovery
- Independently tested and certified to meet CE directives for safety, compatibility, and interference
- Lightest electric destroyer on the market
- Crushes multiple drives at a time
- Quiet, office friendly design
- No hydraulics

International Standards

Independently tested and certified to meet CE safety and compatibility standards.

Bends, breaks, and mangles hard drives.

PD-4 Packages

Configure a system to match your needs. Our optional MIL-SPEC transport case with built-in wheels makes it easy to transport the PD-4 to offsite data locations. To ensure data can never be retrieved, pair the PD-4 with our NSA/CSS EPL-listed TS-1 degausser, feature-filled HD-3WXL degausser, or budget-friendly HD-2 degausser.

Mobility Package DDM-14

Complete Degauss Destroy Recycle Workstation DDR-34 with optional SCAN-1 (laptop not included)

Optional accessories:

CASE-PD4
MIL SPEC Transport case

Recycle Bin

PD-4 in MIL SPEC transport case

SPECIFICATIONS

Power Supply	100-120V±5% 50/60Hz- Factory configurable 200-240V±5% 50/60Hz- Factory configurable
Power Consumption	During standby: 24W During crush: 1920W (max)
Media	Laptop, standard, or network hard drives up to 2.8 in. in height
Destruction Time	Up to 240 1 in. hard drives per hour (when crushing two 1 in. hard drives at a time)
Certifications/Listing	NSA/CSS EPL • CE
Destruction Chamber Size (HxWxD)	2.8 x 4.5 x 6.3 (in.) 71.1 x 114.3 x 158.8 (mm)
Destruction Chamber Capacity	One full height, two standard height or six laptop hard drives destroyed at one time
Temperature	41°F - 104°F (5°C - 40°C)
Humidity	10%H - 40%H without condensation
Weight	73 lbs. (33kg)
Size (HxWxD)	14.2 x 7.2 x 16.9 (in.) 359.9 x 182.1 x 429.3 (mm)
Warranty	One-year manufacturer's limited warranty standard, optional three-year limited warranty available
